

1 The principal shall be responsible for approving all student activities.

2 All school-sponsored activities shall be supervised by an adult approved by the
3 administration.

4 Eligibility for Activities

5 Students who participate in any school activity shall meet the following
6 requirements:

- 7 • all applicable KSHSAA regulations;
8 • academic eligibility requirements noted in handbooks; and
9 • other requirements requested by the administration and approved by the
10 board.

11 Adding or Eliminating Activities

12 Administrative recommendations to add or eliminate specific activities
13 may be considered by the board. Individual patrons or groups of patrons may
14 request the addition or elimination of activities. They may appeal to the board
15 administrative decisions to add or eliminate activities. These appeals shall be
16 made in accordance with rules approved by the board and filed with the clerk of
17 the board.
