## 2009-10 Bus Route Schedule

Dear First Student Bus Riders,

In response to the Kansas Legislature's cuts to state aid for public schools, the Lawrence Board of Education must reduce expenditures in planning for its 2009-10 budget. The school board has approved \$2.5 million in budget cuts, including the elimination of district-supported discretionary busing at an annual net cost of \$444,000.

Formerly called the PayRide Transportation Program, and supplemented by student fees, district-supported discretionary busing was previously provided to students who lived within 2.5 miles of their school attendance center. As a result of these budget cuts, Lawrence Public Schools and its student transportation provider, First Student, will no longer offer the PayRide Transportation Program.

The state of Kansas provides student transportation funding for students living more than 2.5 miles by the usually traveled road from the residence of the pupil (K.S.A. 72-8302). State-reimbursed transportation will now be the only busing provided by First Student for students of the Lawrence Public Schools. Eligible families may enroll for the 2009-10 student transportation program through First Student, 1548 E. 23rd Street, Suite C, during business hours: Monday-Friday 9 a.m.-2:30 p.m. Enrollment forms may be faxed to (785) 841-4388. Contact First Student with questions about student transportation, (785) 841-3594.

We understand that budget cuts to the student transportation program may pose hardships for Lawrence families. One option that may be of assistance to families is the Lawrence Transit System ("The T"). Route maps, fare information and a trip planner may be found online at [www.lawrencetransit.org](http://www.lawrencetransit.org) or by calling MV Transportation, the city's transportation provider, at (785) 312-7054. To inquire about bus passes or request a route map, contact the Lawrence Transit System administrative offices at (785) 832-3465.

Other transportation alternatives families may wish to consider include carpooling or "walking buses." A walking school bus is a group of children walking to school with one or more adults. It can be as informal as two families taking turns walking their children to school or as structured as a route with a regular schedule of parent volunteers. Visit [www.walkingschoolbus.org](http://www.walkingschoolbus.org) for more information. Your school's parent organization may be a helpful resource for families wanting to share ideas about transportation options.

Sincerely,

Rick Gammill  
Special Operations, Safety and Transportation Director  
Lawrence Public Schools

## Tips for Staying Safe on the School Bus:

- Follow the directions of the bus driver.
- Arrive on time, or a few minutes early, at the bus stop.
- Stay clear of the roadway while waiting for the bus.
- Dress appropriately for weather conditions while waiting for or riding the bus.
- During the extreme heat of August, parents may send water bottles with students for the bus ride.
- Wait for the bus to stop before boarding.
- Wait for the driver to motion to you if crossing the road to board the bus.
- Always cross at least ten feet in front of the bus.
- Use the handrails when boarding the bus.
- Be extra careful when weather is wet or icy, as bus steps can become slippery.
- Store your personal belongings in your lap or under your seat.
- Keep your area clean.
- Treat bus equipment with respect.
- Refrain from horseplay and speak softly while on the bus.
- Remain quiet at all railroad crossings, so the driver may listen for warning signals.
- Use radios and tape players with headphones only.
- Keep hands, head, and other body parts inside the bus at all times.
- Treat the bus driver with respect.
- Remain seated until the bus comes to a complete stop.
- Obtain written permission to leave the bus at a destination other than your regular stop.

*A Safety and Behavior Code for Bus Riders will be distributed to students in August. Parents are asked to review the information and sign and return the form stating that they understand the regulations. Riding the school bus is a privilege that may be revoked if a student violates safety rules.*
