

View Your Student's Records Online!

Access your student's grades, attendance, and vaccination records online with **Skyward Family Access**. Contact your child's school office for a login and password.

To login, go to: <http://www.usd497.org>. Click on **Parents & Students** on the top navigation menu. Then select **Skyward Family Access** from the left-hand options. Login to Skyward with the username and password provided by your student's school office personnel.

Calendar

The Calendar is the first page displayed in Skyward Family Access and gives an overview of attendance. For Middle School & Senior High students, it also displays assignments and grades.

Student Information

The Student Information page displays demographic and contact information for your student. If you are listed in Skyward Family Access as the student's "primary" guardian, you may click the "Request Change(s) to my Child's Information" button in the upper-right corner. This

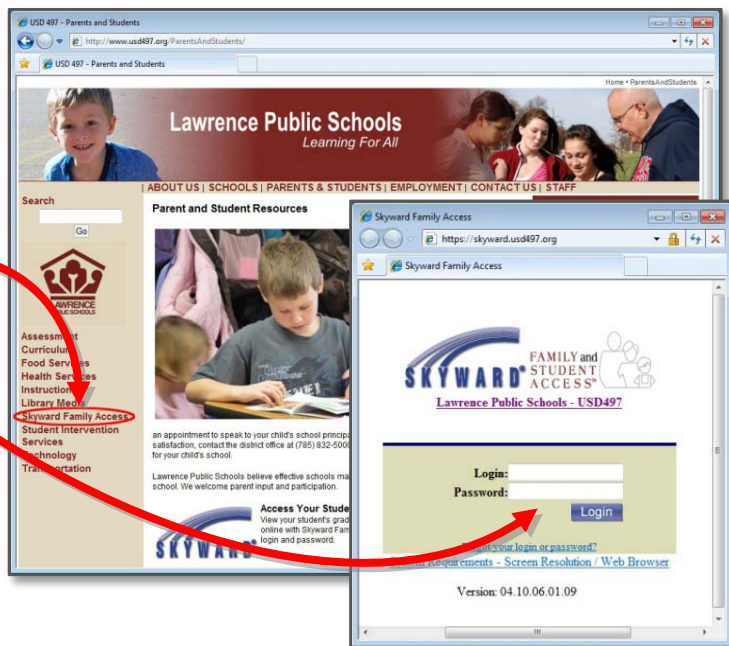

will bring you to a page where you may request changes, which will be reviewed and processed by your student's school.

Status notifications

regarding your requested changes will be posted in the Message Center.

Gradebook (for MS & HS only)

While the Calendar shows grade information on individual assignments, the Gradebook provides information on the student's overall progress in each class.

Message Center

The Message Center contains school confirmations of any online changes you have requested on the Student Information screen. Additionally, the Message Center will contain school messages or messages that teachers post for a particular class or for specific students within a class. (Note: teachers' names in the Message Center are not linked for email messaging. Use the Gradebook section to send an email to your student's teacher.)

Message Center						
Class Messages						
Period	Class	Description	Term	Teacher	Total Messages	Unread Messages
1	Mathematics	Homework Assignment	S1	Heather Lovrenz	0	0
2	Mathematics	Homework Assignment	S1	Betty Currie	0	0
