Total: 90 Days (Semester)
Total: 175 Student Attendance Days
23 Senior High Graduation Practice
Last Teacher Contract Day
Recording/Reporting
25 Senior High Graduation
26 Memorial Day

* The district reserves specific days (4 elementary and 2 secondary) for parent/teacher conferences. Students are not in school on these days. To accommodate parents, schools may schedule evening conferences. Please contact your child's school to confirm conference schedules.

Schools are not in session. Schools are not in session AND district administrative offices are closed.

Note: This calendar may be altered at the discretion of the Lawrence Board of Education and/or school district administration.

The 2007-08 School Calendar includes:

- A. The 186 six-hour days or 1116 hours required by the state. (Lawrence Public Schools have elected to operate on hours.)
- B. One designated inclement weather make-up day on April 18th. (If the district does not use an inclement weather day, there will be no classes K-12 on this date. If the district must use the make-up day, the state will “forgive” one additional inclement weather day.)
- C. A total of 175 student attendance days and 186 teacher-contract days.

Staff Development

Staff development provides professional time for teachers to work both individually and in groups to plan for the continued improvement and effectiveness of instruction and programs. This time is used to confer with other teachers, to plan the implementation of curriculum and instruction, to participate in activities regarding practice and research in teaching, and to share strategies for challenging all students. Planning, collaborating and learning time is in direct response to the district’s mission and to the state’s mandate on quality performance accreditation.

Six collaboration dates are reserved for staff development for district priorities.

Collaboration Time

Collaboration time is defined as a time immediately following the release of students in which professional staff meet and plan with others to reach common educational goals that will have a direct impact on student learning. This is accomplished through 90-minute, early-release time for students at the elementary and junior high levels on Wednesdays during the school year.

Recording and Reporting

This time is designated for recording student progress, auditing the district databases for permanent student records and completing reports and forms required by the district and/or the state.

The distribution of additional teacher contract days, vacation days and beginning and ending days of the school year cannot possibly meet the needs of all individuals. The district and the Lawrence Education Association have attempted to provide the students, staff, parents and patrons with a calendar that provides optimum instructional time for students while meeting the requirements stipulated by the Kansas State Board of Education as well as considering such things as family vacation and holiday needs.
