As most NASS families found out during school supply distribution, we have a new location! We are still adjusting to our new space, but we still have coffee, so feel free to stop by anytime.

Our office hours are: Monday-Thursday, 8am to 4pm & Fridays, 8am to 1pm. As before, if you are unable to come during our office hours and you need our assistance, please contact us and we can arrange to meet another time, in the evenings.

Contact NASS if your high school student who is required to have an activity ticket for their sport/music has not received one yet. (Even if it is a spring semester sport)

For those families with secondary students that need to turn in receipts for reimbursements or invoices for payment, you have 2 options:

1) Bring invoice or receipt to NASS, by mail or in person or by email.

2) Ask the finance office at your student’s school to send invoice to NASS.

KU Leadership Symposium

October 10, 2019

KU’s Native American Leadership Symposium is offered each year to high school students. Sign up with your counselor at your high school.

Contacts: Lynisha Thomas at LHS and Sarah Leeser at FSHS. The students will spend their day at KU, lunch included.
Volunteer Opportunities

Beading & Dance Classes
Would you like to share your beading or dance expertise with others? These classes are planned for students and families, to introduce a new skill, or gain additional experience, improving. If you feel like you could lead a class or even just a session every once in a while, contact us.

Class Presentations
Each year, NASS gets requests from teachers asking for guest speakers to talk to their classes about various aspects of Native American cultures. Subjects requested included: dance, regalia, history, specific tribal history, Haskell/Lawrence Indian history and more. If you feel like you could assist in this area, or have an idea you would want to share with classrooms, contact Jennifer Attocknie. We will create a roster of possible speakers and share that information with classroom teachers.

Event Planning Committees
NASS has a few annual events that you could help with. We will be having planning meetings for the following events. Contact Jennifer Attocknie if you would like to serve on the following committees:

Wellness Fair Planning Committee
The NASS Wellness Fair is planned on the first Saturday in November. Usually, there are representatives from various health and wellness agencies sharing information and activities for the family.

Indian Youth Pageant Planning Committee
The Pageant will take place in January 2020 and we would love to have NASS community input and assistance!

Native American Student Services Parent Committee meets monthly. All parents and guardians are welcome to participate. The third Tuesday of each month at 6pm, in the conference room of the Lawrence College and Career Center. Student representatives are also welcome to attend. Secondary students who want to attend and offer input are encouraged to attend.

  - 1 & 3:00 PM HINU SOFTBALL ALUMNI GAME
  - BILLY MILLS COURSE
  - TBA
  - HASKELL FIELD

SCHEDULE SUBJECT TO CHANGE.
NASS will be taking a bus to Manhattan, KS on Monday, October 14, 2019. It is a school day, so the parent will be responsible for taking their student/s out of school for the day. This is a family field trip, so only accompanied students may attend. Lunch is provided at the site.

Registration is open:  https://www.k-state.edu/indigenous-alliance/indigenous-peoples-day/

After you have registered all individuals in your family that are attending, contact NASS and let us know the names, for our bus count.

There will be college-level lectures and college students attending alongside, so it will be ideal for high school students and mature middle school students interested in current Indigenous issues. This is a great learning and discussion opportunity.

The bus will leave Lawrence College and Career Center at 7:15 am and return around 6pm

Remember, students should check with their teachers first, to see if they have specific hours before or after school to help with homework. Another option would be to talk to other teachers of the same subject. They may be able to explain the concept in a different way that may be easier for you to understand. This can be especially helpful in math subjects.

School Supply Distribution

Thank you to our great cadre of volunteers that made this year’s event go so smoothly!

If you have not received your student’s supplies yet, we still have them waiting for you! You are welcome to come by during regular office hours to get them. If you cannot make it during those times, contact us at NASS, and we can make arrangements.

Instrument Supplies

Please contact NASS with your needs (reed & size, slide oil, rosin, etc.) and we will organize either a voucher for Beautiful Music (strings) or have the item delivered to either the school or NASS (horns, percussion). The books should be provided by the band and orchestra directors at the school.

This newsletter is to preserve the integrity of the Lawrence, Kansas public schools' Native American Student Services' program of Johnson O'Malley & Title VI Indian Education; and, the goal of the Native American Parent boards is to promote only educationally related USD #497 district news concerning the documented Johnson O'Malley & Title VI Indian Education students enrolled in Lawrence Public Schools USD 497.
