

TOP SECRET

Dear Students and Parents:

Welcome back staff and students to another great year of school. Some of you might be familiar with the “Golden Eagle Bank” that was established a few years ago. We will once again be opening the doors to the bank for the new school year. We welcome each and every student to get setup with an account so that they can participate in the “Golden Eagle Bank” day that will run one day a month.

The Central National Bank Secret Agent Savers program was developed to help students learn at an early age the importance and rewards of saving money while developing a positive habit of saving. We are looking forward to teaching students to fight Mr. Splurge while saving their hard earned pennies, nickels, dimes and quarters.

If you are not already a Central Secret Agent Saver and want to become one and participate in each “Golden Eagle Bank” day, fill in the form on the back and bring it to any CNB location. We’ll get you signed up so you can participate before our first bank day Wednesday, September 13th.

Sincerely,

Agents Penny & Nickel
