

Winter Break Reading Challenge for

Reading is IMPORTANT! We want students to maintain good reading habits -- even on a break. Choose AT LEAST 10 different marshmallow reading challenges. When you complete the challenge, glue the marshmallow on the mug or write the reading activity you did on a marshmallow below. **Each marshmallow represents 20 minutes spent reading for that challenge.** After you've filled in all of your marshmallows, you will have read a total of 200 minutes. Color or decorate your mug and bring your mug to Mrs. Jackson when we return from Winter Break. **Forms are due to Mrs. Jackson by Tuesday, January 15th.** If you fill the mug (complete 200 minutes) you will receive special prizes! Don't stop at 200 minutes! The 10 students with the MOST MINUTES READ will receive a digital "Mark My Time" bookmark. **You can start counting your reading December 21st!**

Reading Goal
Each = 20 minutes
