

Directions for checking work on Seesaw

1. Log into the School iPad by clicking on the Seesaw App.

*You may also use the “Seesaw Family App” on your own device to view your student’s completed work.

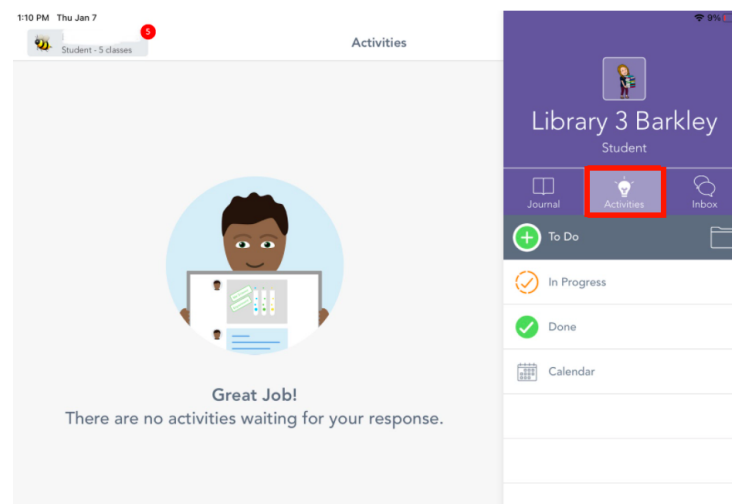

2. On the top left, you may toggle between classes to select the desired class you wish to view.

3. Go to “Activities” on the right:

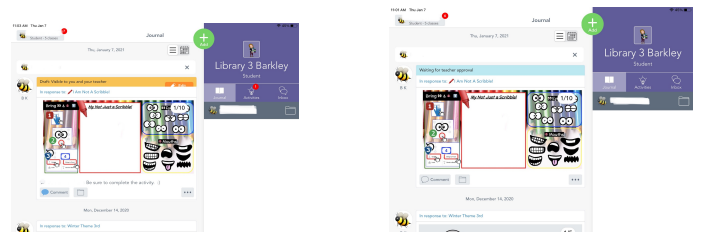

- “TO DO” means there are new assignments to complete.
- “In Progress” means there is work to be finished or waiting for grading.
- “Done” means the work has been TURNED IN...

BUT--you can also check if the work has been COMPLETED and the quality of work that has been submitted by going to the “JOURNAL TAB”.

4. In “Journal” tab you can see all work:

- Completed
- **Drafts** (work in progress or work needing corrections)
- **Items waiting for teacher review**

➔ It may be a good habit to check work each day or set aside a time **EACH WEEK** to review missing or incomplete work with your child. :)
