3 rd gr. Reading	May 4 th & 6 th
3 rd gr. Math	May 11 th & 13 th
4 th gr. Reading	April 20 th & April 22 nd
4 th gr. Math	April 27 th & April 29 th
5 th gr. Science	April 13 th & April 15 th
5 th gr. Reading	April 20 th & April 22 nd
5 th gr. Math	April 27 th , April 29 th

We want to give each child the opportunity to perform at their highest level. Children who are hungry or tired do not have the energy to think and learn.

We appreciate your continued support in your child's education.

-Jared Comfort, Principal

Helpful Hints For Your Student:

- A good breakfast
- On-time arrival
- Plenty of sleep are...BIG BONUSES

Schwegler Ci3T/Equity Update

Our goal is for Schwegler to be a positive, productive learning environment where all students feel valued. Our students continue to practice the 3 R's (Respect, Readiness, and Responsibility) and are working to earn their benchmark and trimester celebrations for the last trimester of the school year. We continue to review our data regularly to determine what our students need in the areas of academics and social/emotional support. We appreciate your help in discussing school expectations with your children at home.

Through our equity work, we continue to focus on professional learning with staff and implementation in the classroom.

Kindergarten Orientation

Kindergarten Orientation for children who will turn five on or before August 31, 2018, will be held **Wednesday, April 7th and Wednesday, April 14th**.

If you have a child that will attend Kindergarten at Schwegler next fall, please call the school office to register them for Orientation (832-5860)

Below are items that you will need to bring with you.

- State certified birth certificate, not the wallet size
- Immunization record

- Proof of residency (copy of utility bill, purchase contract or rental or lease)

Upcoming Events

*Kindergarten Round-Up April 7

*Kindergarten Round-Up April 14

New Garden!

On March 22nd Kindergarten through 5th grade students constructed and planted our new garden on our west playground. We are excited to see the results of the flowers and vegetable seeds as they grow!

Parent/Teacher Conference Attendance

Attendance for Parent/Teacher conferences was very strong this year. Thank you for meeting with us to help your child be successful.

Holiday/Seasonal Parties

At Schwegler, we value the diversity of our school population. We have families of many cultures and background who celebrate many traditions and practices. We believe in an inclusive environment where all feel valued and accepted. Therefore, we celebrate the academic and behavioral successes of our students. Instead of holiday and/seasonal parties, our students celebrate regularly through classroom based marble parties and K-5 Ci3T trimester parties. We value parent involvement in many of these activities

throughout the school year. If you would like to help with any of these parties, please contact your student's classroom teacher or Amy Shellhorn at 785-330-2383. Collaboratively developed by Schwegler Site Council.

Boys & Girls Club

Monday, April 5th is summer enrollment for current BGC kids.

Monday, April 12th is summer enrollment for the general public. Please see attached flyer for more information.

Fall 2021 enrollment will be Monday, May 13th for current club members and the general public.

Inclement Weather Day

As a result of the use of several inclement weather days this winter, our school will be in session on April 16, the district's designated inclement weather make-up day. Because the board approved school calendar for elementary and middle schools includes more than the state-required number of instructional hours, our school does not need to make up any additional time. Only the two high schools must adjust their schedule in order to meet the requirements.

Site Council

At our last site council meeting in February, those attending discussed and gave feedback on how best to document and share Schwegler's AVID and Equity work with families. Please join us at our next Site Council Meeting on April 13th at 5:30 pm. This will be a virtual meeting and a link will be sent out to everyone before the meeting. We welcome anyone to attend. The site council reviews and provides input/feedback on the work of the Building Leadership Team (BLT). This includes needs assessment, goal area selection, goal and action plan development, evidence/data, and analysis of growth. You can access and read past minutes from site council meetings on the Schwegler website under the For Parents tab and then by clicking on the site council category. Please contact Amy Shellhorn or Dr. Comfort if you have any questions.
