Agenda:

Welcome

Complete Site Council EOY survey:

We discussed the questions on the survey and the chair obtained our feedback on how the site council supported our BOY stated goal of disseminating information to others and giving feedback to teachers and staff as well as how effective we were as a site council this year.

The chair will submit this feedback by annual report to Darcy Kraus by June 1, 2021.

Overall we agreed that we had a fairly successful year. We were still able to meet as a council virtually and were able to receive feedback and share information about our AVID program and our building Equity work with the help of the site council as well as clearly define and share with parents the roles and the differences of site council and PTA.

Administration will let families know of our first fall meeting date in September of 2021.
