Please call in attendance for your child if they will be late or will not be in for the day. Also, please make sure that you are calling in by 2:30 pm to get any messages to your child about change of plans for the end of the day. Anything after that time is not guaranteed that it will make it on time to your child.

There will be NO Holiday Children's Workshop this year.
The previous organizers have been unable to secure the amount of goods and volunteers necessary to run the event.

Enganging Conversations

Engaging Questions to Ask Your Student - Kids spell love **T-I-M-E!** Take a couple minutes this week and ask your student the following questions! These open ended questions can start a world of engagement with your child! Enjoy!

- 1.) What makes you feel brave?
- 2.) If you designed clothes, what would they look like?
- 3.) What's a memory that makes you happy?

**THINK
SAFETY
FIRST**

We have had several reports of students not using the crosswalk on 11th St (in between New York and New Jersey streets) properly! PLEASE talk with your students about the importance of pushing the crosswalk button AND waiting until they have the hand signal before they cross the street! We want all our students to be safe as they travel to and from school!
