ProjectCREATE

Register now for ProjectCREATE Sessions

High achieving and highly-creative kids need extra enrichment, and ProjectCREATE's redesigned Saturday sessions are more hands-on than ever. Sign up for our two 2019 events and receive a discount on your registration—check out all the details and register online at www.projectcreatekids.com.

Sessions are held 9 am to noon at the Lawrence College and Career Center. Registration is available for [individual sessions for \\$40 each](#), or you can register for [two Saturday events for just \\$70](#). Share this info with a friend and double the fun!

Saturday, February 9: The Fact and Fiction of Artifacts:

What do artifacts tell us? Do we really know what we know? Can *YOU* identify some “ancient” artifacts and what they were used for? Can you create an “artifact of the future” for others to discover? What creativity will you employ when you don your archeologist hat? Come join us for an exciting day of discovery!

April 13, 2019: Progress Without Pollution

How do we make our lives easier without destroying our planet? Can we learn from the past to improve the future? What can we create to help make our Earth a better place?
