

## SCHWEGLER ELEMENTARY

April 17, 2024

Dear Families,

Because your child's first 5 years of life are so important, we want to help you provide the best start for your child. You are invited to participate in the completion of the Ages & Stages Questionnaires®: Social Emotional, Second Edition (ASQ:SE-2™) and Ages & Stages Questionnaires® (ASQ-3), online screenings which provide a quick check of your child's overall development. The questionnaires include questions about your child's communication, gross motor, fine motor, problem solving, personal social skills, and behavior.

We encourage each kindergarten family to participate. To participate in this screening, please access the following URL by typing it into your Internet Browser or scanning the QR code below:

This information is a crucial piece of our overall Kindergarten Snapshot. It will help us support you and your child as they enter kindergarten. Please complete both screenings as part of the kindergarten enrollment process. We look forward to your participation!

Sincerely

Dr. Jared Comfort
