

Mrs. Angie Webb

Welcome to 3rd grade! I look forward to learning more about all my students and their families! I feel blessed to be working with such amazing students and staff at Sunset Hill!

This is my 24th year of teaching and my 9th year at Sunset! I have had the privilege of teaching 2nd grade (3 years at Topeka), 1st grade (1 year at Quail Run), 3rd grade (11 years at Hillcrest), 4th grade (first 2 years at Sunset), and this will be my 7th year in 3rd grade here at Sunset! Third grade is my favorite as I have enjoyed teaching 3rd graders for 17 years!

I graduated with a Bachelor's and Master's degree from KU, so a KU fan I am . . . and the reason I have lived in Lawrence the past 28 years! Abilene, Kansas is where I was born and raised.

My husband Brent and I have been married for 25 years and have 3 children! Cole and his girlfriend, Brenda, is at Johnson County Community College, Logan is a Senior, and Lexi is an 8th grader at West.

Not only do I enjoy teaching and working on school projects, I also enjoy spending time with my family and friends. As you can see, I have 4 cats (Zach, Oliver, Charlie, and Leo), which I adore! I think it's safe to say that I'm a "Crazy Cat Lady!" My son, Cole and his girlfriend Brenda have a dog named Amia who has become part of our family as well! When I have free time, I love working on home projects such as painting, organizing, and yard work, as well as reading books (particularly mysteries), working on puzzles, binge watching movies/shows on Netflix, listening to music and my favorite. . . shopping!

Parents and students are welcome to email me if you have any questions or concerns:

I look forward to a WONDERFUL year! Can't wait to meet you!
