The Lawrence Board of Education welcomes public input. Contact information for board members is frequently published in the Lawrence Journal-World. The Board invites public comment about items not included on its agenda at the beginning of each regular board meeting. There is opportunity for public comment regarding a specific agenda item after the Board discusses the item. Patrons are asked to complete an Audience Participation Form, distributed during board meetings, to assist the Board in keeping an official record of individuals making public comment during its meetings. These forms also assist board members and staff in responding to questions and issues that may arise during public comment. Written comments also may be submitted.

**Parent Involvement**
The Lawrence Public Schools recognize that parental involvement is an important part of a child’s academic success. The district values positive relationships with parents in order to achieve common educational goals for students. Ongoing communication between home and school is a key factor in these relationships.

School district staff includes a number of professionals who can be important resources for parents as they guide their children through their educational years. There are school counselors, social workers, psychologists, nurses, specialists, and interrelated resource teachers assigned to every attendance center, although not necessarily present on a full-time basis at each school. If parents would like to consult any of these individuals about their children’s education, the school office can provide names and contact information.

**Notice of Accessibility**
Lawrence Public Schools provide services and programs to people with disabilities in the most integrated setting possible. Pursuant to the Americans with Disabilities Act, Title II, the Director of Special Operations, Safety and Transportation has been appointed as the ADA Coordinator. Please call for information on accessibility, ADA compliance procedures or accommodation requests.

In order to facilitate participation, accommodations will be made on an individual basis. If you would like to attend a Board of Education meeting or other public event of the District and require an accommodation for people with disabilities, please contact the ADA Coordinator at the Lawrence Public Schools, 110 McDonald Drive, Lawrence, KS 66044, (785) 832-5000 or through the Kansas Relay Center, 1-800-766-3777, at least 48 hours in advance. The ADA Coordinator may refer issues regarding accessibility and accommodations for students to the student services department. ADA issues regarding employment may be referred to the human resources department by the ADA Coordinator.
The staff of Quail Run Elementary School welcomes you and your family. We are committed to providing a rich and engaging education to each and every student. We need your support. We ask that you be an active participant in your child’s education. This handbook has been carefully prepared so that students and parents will know and understand the policies and expectations of Quail Run Elementary. Board Policies referenced in this handbook can be found on our district website in the School Board tab. www.usd497.org

PRINCIPLES FOR A GREAT SCHOOL ENVIRONMENT
It is a priority of Quail Run Elementary to create an environment that gives all children the opportunity to achieve their fullest personal and academic potential in order to become productive and responsible citizens.

Every student should have the opportunity to achieve his/her potential in a safe, caring environment. Great schools are child centered and promote principles that foster a positive environment.

- The student’s self-concept is always a prime consideration.
- A balance of natural consequences/choices and empathy replaces punishment whenever possible.
- The student is required to do more thinking than the adults do in solving their problem.

ARRIVAL/ DEPARTURE & SCHOOL HOURS
M, T, Th, F Wednesday
8:45 - 3:50 8:45-2:20

ARRIVAL
The building is locked in the morning and students who are not eating breakfast and not attending Boys and Girls Club will not be allowed to enter the building before 8:30 a.m., as there is no adult supervision available.

Students who eat breakfast at school may enter the school at 8:20 a.m. All other students are asked to arrive to school no earlier than 8:30 a.m. Students must be in their classrooms or designated area at 8:45 a.m., when the final bell rings, or they will be counted as tardy/absent.

Prior to 8:30
- students will wait in the cafeteria
If you walk your child into the building before the 8:30 bell, we ask that you take them to the cafeteria. Please do not stand in the hallway with them. You are welcome to sit with your child in the cafeteria.

All doors, except the front door, are locked at 8:45.

DISMISSAL
(See Complete Board Policy JBH)
Students will be dismissed M, T, Th, F at 3:50 p.m. by teachers and at 2:20 on Wednesdays by teachers. If students are kept after school by their teacher for more than 10 minutes, parents should be notified. Students are to go directly home unless arrangements have been made with parents PRIOR to coming to school.

All students MUST be picked up promptly after school unless attending the Boys and Girls Club. There is no other student supervision after dismissal. If students are not picked up immediately after school, the office staff will attempt to call parents. If parents cannot be reached by 4:30, law enforcement or DCF may be called for assistance. Students leaving school early must be signed out by a parent/guardian. Office staff may ask for ID before releasing the child.

TRAFFIC PLAN
We have a traffic plan that outlines traffic expectations during pick up and drop off. You can also find it on our school website. Please read school newsletters for updates, as we sometimes find new ways to make arrival and dismissal safe!

ATTENDANCE
(Board Policies JBD)
When your child is absent, parents or guardians are to notify the school no later than 30 minutes after classes begin. If you do not have a phone, you will need to send a note the following day. We must hear from a parent or guardian to verify a child’s absence the day of the absence.

ATTENDANCE: TRUANCY LAW
(See Complete Board Policy JBE)

ATTENDANCE: TARDY / ABSENT STUDENTS
(See Complete Board Policy JBE)

ATTENDANCE: MISSING SCHOOL DUE TO ILLNESS
Parents/Guardians are asked to keep ill students at home. Examples of illnesses that should keep your student home may include, but are not limited to:

1) Contagious diseases – such as measles, mumps, chicken pox, pink eye and influenza.
2) Skin rashes – especially if the cause is unknown or if accompanied by fever or drainage. (may require Dr. note to verify that the student is not contagious)
3) Head lice infestation that has not yet been treated with an anti-parasitic shampoo. One day of absence will be excused. See more about head lice under Health Office Policies.
4) Fever – students with an oral temperature of 100.0 or greater should be kept home until they have been fever free without medication for 24 hours.
5) Vomiting – students who vomit must stay home for 24 hours after the last episode of vomiting.
It is our expectation that students who become sick at school are to be picked up within 30 minutes of receiving our call unless arrangements have been made with the principal.

Please notify the nurse if your child will need accommodations due to a recent illness or injury.

ATTENDANCE: PARENTAL REQUEST FOR STUDENT ABSENCE
School officials realize that business and personal interests sometimes require families to be away from home for short periods of time. When a parent or guardian believes that there is a valid reason for a student to be absent, school officials will endeavor to honor the absence. Such absences, when approved, will be considered excused absences. Depending upon the subject, students may be asked to make up time and/or work missed because of such absences.

ATTENDANCE: MOVING TO NEW SCHOOL
We are required to keep your child “officially” enrolled at Quail Run until we are notified of your enrollment by your child’s new school. If we are not notified within 2 weeks, we are required to file Truancy with DCF. Please make sure you enroll promptly at your new school and that you ask them to contact us to verify your enrollment.

BEHAVIOR
(Board Policies JDB; JHCAA; JCDBBC; JCAB; JCABB; JCDA; JDD)
Appropriate student behavior is a must in order for the maximum educational learning to occur. It allows the teacher the opportunity to teach and the student the opportunity to learn.

BEHAVIOR: EXPECTATIONS
(See Complete Board Policy JCDA)
Quail Run Expectations:
1. Be Positive
2. Be Productive
3. Be Safe

Expectations for several settings are explicitly taught to our students each year. (See Expectation Matrix in Appendix)

POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS
Our school uses a school-wide systematic approach to proactively support the needs of our students. Positive behavior intervention and supports (PBIS) is a system of tools and strategies for defining, teaching, acknowledging appropriate behavior, and correcting inappropriate behavior. School-wide PBIS focuses on taking a team-based approach by teaching appropriate behavior to all students. Through PBIS, school staff works to establish and maintain a productive, safe environment in which students, staff, and families have clear expectations and roles in the educational process.

An important aspect of PBIS is the understanding that appropriate behavior and social competence is a skill that requires direct teaching to students just like math and reading. There is no assumption, in PBIS, that students will learn social behavior automatically or pick it up as they go through life. This critical feature in PBIS leads to its effectiveness.

POSITIVE REINFORCEMENT: QUAIL SLIPS
Students who follow the expectations are recognized with Quail Slips. Quail Slips can be used for prizes and special privileges in the classroom.

BEHAVIOR: DETENTION
(See Complete Board Policy JDB)

BEHAVIOR: HAZING AND BULLYING
(See Complete Board Policy JGECA, GAAE)

Definition of Bullying: Bullying is when a person or group of people repeatedly and intentionally hurt someone’s body or feelings.

Quail Run Bullying Rules:
● We will not bully others.
● We will help students who are bullied when it is safe to do so.
● We will include students who are left out.
● We will report to an adult at school when we see someone being bullied.

BEHAVIOR: SUSPENSION AND EXPULSION PROCEDURE
(See Complete Board Policy JDD)

BEHAVIOR: PROHIBITED ACTIVITY
(See Complete Board Policy JHCAA)

EMERGENCY SAFETY INTERVENTION (ESI)
(See Complete Board Policy JHCAA)

BIRTHDAYS – NO TREATS PLEASE!
Due to rising dietary restrictions and food allergies among students and staff, we will insist that NO treats be brought to school for birthdays. The librarian encourages parents to donate a book to the Quail Run library in honor of their child’s birthday. Invitations to student birthday parties should be distributed outside of school. The PTO room parents and party committee organize communication and arrange refreshments for parties in October, December, and February. Parties are planned under the direction of school staff and PTO volunteers.

BOYS AND GIRLS CLUB
Boys and Girls Club has a before school and after school program located at Quail Run. The program is offered to students in grades K-5. Program hours are from 7:00 a.m. to 8:30 a.m. and 3:50 p.m. to 6:00 p.m. Monday, Tuesday, Thursday, Friday and from 7:00 a.m. to 8:30 a.m. and 2:20 p.m. to 6:00 p.m. on Wednesdays. All participants must enroll and be accepted into the program. Enrollment is limited.
Contact Boys and Girls Club at 785-423-3695 for more information.

BUSINESS PARTNERSHIPS
LAWRENCE EDUCATION ACHIEVEMENT PARTNERS – (LEAP)  
(See Complete Board Policy IDAA)
Lawrence Public Schools are involved with the business community in a partnership venture. A partnership is a mutually supportive agreement between a business and a school or school district, often in the form of a written contract, in which the partners commit themselves to specific goals and activities, intended to benefit students. Please support our business partner.

CLASSROOM ASSIGNMENT RESPONSIBILITIES
The building principal is responsible for assigning teachers to specific grade levels and, with teacher input, assigning students to a particular teacher. Because we cannot grant every parent request for a particular teacher, we do not take “preference” requests into consideration when making class assignments.

COMMUNICATION
MEETINGS WITH STAFF
If you would like to meet with your child’s teacher or any other staff member, please schedule this in advance. We want to give you full attention and that cannot always be the case during a “drop in” visit.

MESSAGING SYSTEM
School Messenger is the district’s automated messaging system that disseminates school, district and emergency information. It is important to keep the school updated whenever parent contact information changes. Directions for updating your child’s contact information can be found under Student Records: Updating located in this handbook.

NEWSLETTERS
The Quail Run newsletter, classroom newsletter, notes and flyers are published electronically. In an effort to reduce paper usage, this procedure will replace sending home hard copies whenever possible. Please contact the school if your email address changes. If you do not have an email account, we will continue to send home a hard copy. We will also post information on the Quail Run website.

CONCERNS
The Lawrence Public Schools find that the quickest and most effective way to resolve a school concern is by addressing it at the most direct level. The following are suggested procedures. First talk to a teacher, counselor or another trusted adult at the school for assistance. If the concern is not resolved at the classroom level, please visit with the principal. If the issue persists, please contact the district office, 785/832-5000 and ask to speak to the administrative liaison assigned to the school. If after following steps 1-3 your concern has not been resolved to your satisfaction, please contact the district office, 785/832-5000, and ask to speak to the superintendent’s office. A Complaint Form may be filed to trigger a formal investigation of any unresolved school concerns. Find this form at http://www.usd497.org/complaintform.

Investigative steps include:
- Review Complaint
- Interview complainant and witness
- Determine appropriate course of action
- Issue disciplinary measure as necessary
- Communicate with complainant, while protecting student / staff confidentiality.

COMPUTER USE
Use of Personal Technology Devices  
(See Complete Board Policy IIBG)

CHILDREN’S INTERNET PROTECTION ACT  
(See Complete Board Policy IIBGA)

DISCRIMINATION/HARASSMENT  
(See Complete Board Policy JGEC, JGECA, and KNA)

DISTRICT MANDATORY REPORTING POLICY  
(See Complete Board Policy GAAD)
Any district employee who has reason to know or suspect that a child has been harmed as a result of physical, mental or emotional abuse or neglect or sexual abuse, shall promptly report the matter to the Kansas Department for Children and Families (DCF) office or to the local law enforcement agency if the DCF office is not open. The employee making the report shall NOT contact the child’s family or any other persons to determine the cause of the suspected abuse or neglect or notify them of a report or pending report been made. All employees of the school district must report to the building principal cases that they believe may constitute child abuse. If appropriate, the principal may confer with the school’s social worker, guidance counselor or psychologist. At no time shall the principal or any other staff member prevent or interfere with the making of a report of suspected child abuse.

DCF ACCESS TO STUDENTS ON SCHOOL PREMISES (SEE JCAC)
The principal shall allow a student to be interviewed by DCF or law enforcement representatives at an appropriate location on school premises and shall act to protect the student’s interests during the interview subject to the authority of DCF or law enforcement.

COOPERATION BETWEEN SCHOOL AND AGENCIES
Principals shall work with DCF and law enforcement agencies to develop a plan of cooperation for investigating reports of suspected child abuse or neglect. To the extent that safety is not compromised, law enforcement officers investigating complaints of suspected child abuse or neglect on school property should not be in uniform.
Free and Reduced Lunches
(See Complete Board Policy JG)

**Families must fill out an application for free/reduced meal benefits every new school year. Only 1 application per family is required. Applications for the new year will be available to download and print on your own printer from the school district website mid-July. Printed applications will be available at the school district Welcome Center mid-July and will also be included in school handbooks and back to school newsletters. You can also obtain an application at individual school buildings when they reopen for the school year.**

The food services department has 10 days to process applications from the time they are received in the food services office. Families are responsible for any lunch charges incurred until their application is approved. Until you receive letter notification of your approval, please deposit money to your child’s account to cover charges for any meals eaten.

**A la Carte Purchases**
(See Complete Board Policy EEA)
The USDA has brought about some changes to the meal selection process. Food groups are now called components consisting of the following; Meat or Meat Alternatives, Fluid Milk, Grains, Fruits, and Vegetables. Students must choose a **minimum** of three of the 5 components to count as a meal. One of the three components must be ½ cup of fruit or vegetable. We encourage all five for a healthy meal. Secondary students may choose a lunch meal of main dish, milk, and 4 side dishes, maximum. Items purchased in addition to lunch/breakfast meal are considered a la carte purchases. **No a la carte charges will be allowed if the student account reaches a zero balance.** All students are considered to have permission to make a la carte purchases unless a parent/guardian completes Form FS146, blocking or limiting purchases, and returns it to the school cashier.

**Online Debit/Credit Card Payments**
Parents/guardians are able to make payments for school lunches with a debit or credit card and are able to check the balance of their student lunch accounts online at MySchoolBucks.com. Go to the district website at www.usd497.org, link to Food Services, then to MySchoolBucks.com.

NEW USER’S ONLY...If you have never used this system before, be aware that you will need each child’s 8 digit student ID# to set up an account with MySchoolBucks.com.

**Low Balance Reminders**
Automated phone calls are made twice weekly to parents via the School Messenger program. You can expect a phone reminder when a student account balance falls to 5.00 or less. Due to program constraints, these calls are made for each individual student account, so you may receive more than one. Many parents have found the service provided by MySchoolBucks.com very helpful. You can register at this site, and then look at student purchase histories or set-up an
email notification of low balances if you wish. This service is available to all parents even if they do not want to use the online payment program.

End of Year Balances
At the end of the school year, no refunds will be made on the account unless you are leaving the district. The balance in your account will be forwarded to the next school year even if your child is attending a different school. If you have a student graduating high school, any balance remaining will be transferred to a younger sibling(s). If this is your last child graduating from the district, you may request a reimbursement form from the cashier for a refund check from the district.

Returned Checks
Lunch payment checks that are returned due to insufficient funds currently go directly to RECHECK, Inc., a collection company in Wichita, KS. RECHECK will represent your check to your bank for payment of both face value and the fee. There is a 30.00 return check fee that you will be responsible for in addition to any fees that your bank may charge. Payment for the check and fee must be made to RECHECK, Inc. Payment cannot be accepted by the district or your school. Students may not make food purchases with a negative lunch account balance, so you will need to provide funds to keep a positive balance in your student’s lunch account. This is a separate transaction which does not negate the need to settle with RECHECK. You may reach RECHECK at 1-888-794-7325.

Competitive Food Rules
Competitive food is any food or beverage service available to students that is separate and apart from the districts non-profit federally reimbursed food service program. The school board has adopted the following policy.
Building Sales – Competitive food service shall not operate in competition with the district’s food service program, and shall be closed for a period beginning one half hour prior to and remain closed until one half hour after the last regular scheduled school lunch and/or school breakfast period on the campus where the school lunch and/or breakfast is served.
Fast Foods – Fast foods in the building detract from the emphasis placed upon the Child Nutrition Program and District Wellness Initiatives. The district encourages students to participate in the district’s meal program. However, parents have the option to send food for breakfast or lunch if they prefer not to participate in the district’s meal program. The district does not recommend students or parents bring fast foods to school; however, if fast foods are brought to school, they may not be in the original packaging.

WEAPONS POLICY/OTHER DANGEROUS OBJECTS

(See Board Policy JCDBG; JCDDBC)
Family Educational Rights and Privacy Act
ANNUAL NOTICE
(Release of Student Directory Information to the Public and/or Military Recruiters)

The Family Educational Rights and Privacy Act (FERPA) affords parents* certain rights with respect to their student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents* should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school will make arrangements for access and notify the parent* of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent* believes are inaccurate. Parents* may ask the school to amend a record that they believe is inaccurate. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parents*, the school will notify the parents* of the decision and advise them of their right to a hearing regarding the request for amendment.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

For purposes of FERPA, USD 497 has designated certain information as “directory information,” which may be disclosed for any purpose without prior consent. The primary purpose of this designation is for district use of the information in school publications, such as newsletters, drama playbills, recognition listings, graduation programs, sports team rosters and yearbooks. USD 497 considers the following “directory information:” student name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of teams, dates of attendance, honors received, the most recent previous school attended, class designation and photographs.

Release of Student Directory Information to Military Recruiters

In addition, two federal laws: Section 9528 of ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107), require educational agencies to provide military recruiters, upon request, students’ names, addresses and telephone listings.

Parents* wishing to withdraw consent for release of directory information must complete a Non-Disclosure of Student Directory Information form available upon request at any school, the district office and www.usd497.org. USD 497 assumes there is no objection to the release of directory information if this signed form is not returned to the school by August 18, 2010 (or upon enrollment during the school year).

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by USD 497 to comply with these requirements. The name and address of the office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202-5901.

*parents, legal guardians and students age 18 or older.
Emergency Safety Interventions – GAAF

The board of education is committed to limiting the use of Emergency Safety Interventions (“ESI”), such as seclusion and restraint, with all students. Seclusion and restraint shall be used only when a student’s conduct necessitates the use of an emergency safety intervention as defined below. The board of education encourages all employees to utilize other behavioral management tools, including prevention techniques, de-escalation techniques, and positive behavioral intervention strategies.

This policy shall be made available on the district website with links to the policy available on any individual school pages. In addition, this policy shall be included in at least one of the following: each school’s code of conduct, school safety plan, or student handbook.

Definitions (See K.A.R. 91-42-1)

● “Emergency Safety Intervention” is the use of seclusion or physical restraint when a student presents an immediate danger to self or others. Violent action that is destructive of property may necessitate the use of an emergency safety intervention.

● “Seclusion” requires all three of the following conditions to be met: (1) the student is placed in an enclosed area by school personnel; (2) the student is purposefully isolated from adults and peers; and (3) the student is prevented from leaving, or reasonably believes that the student will be prevented from leaving, the enclosed area.

● “Chemical Restraint” means the use of medication to control a student’s violent physical behavior or restrict a student’s freedom of movement.

● “Mechanical Restraint” means any device or object used to limit a student’s movement.

● “Physical Restraint” means bodily force used to substantially limit a student’s movement.

● “Physical Escort” means the temporary touching or holding the hand, wrist, arm, shoulder, or back of a student who is acting out for the purpose of inducing the student to walk to a safe location.

● “Time-out” means a behavioral intervention in which a student is temporarily removed from a learning activity without being confined.

Prohibited Types of Restraint

All staff members are prohibited from engaging in the following actions with all students:

● Using face-down (prone) physical restraint;

● Using face-up (supine) physical restraint;

● Using physical restraint that obstructs the student’s airway;

● Using physical restraint that impacts a student’s primary mode of communication;

● Using chemical restraint, except as prescribed by a licensed healthcare professional for treatment of a medical or psychiatric condition; and

● Use of mechanical restraint, except:
  o Protective or stabilizing devices required by law or used in accordance with an order from a licensed healthcare professional;
  o Any device used by law enforcement officers to carry out law enforcement duties; or
  o Seatbelts and other safety equipment used to secure students during transportation.

Training

All staff members shall be trained regarding the use of positive behavioral intervention strategies, de-escalation techniques, and prevention techniques. Such training shall be consistent with nationally recognized training programs on the use of emergency safety interventions. The intensity of the training provided will depend upon the employee’s position. Administrators, licensed staff members, and other staff deemed most likely to need to restrain a student will be provided more intense training than staff who do not work directly with students in the classroom. District and building administration shall make the determination of the intensity of training required by each position.

Each school building shall maintain documentation regarding the training that was provided and a list of participants.
**Notification and Documentation**

The principal or designee shall provide written notification to the student’s parents any time that ESI is used with a student. Such notification must be provided within two (2) school days.

In addition, each building shall maintain documentation any time ESI is used with a student. Such documentation must include all of the following:

- Date and time of the intervention,
- Type of intervention,
- Length of time the intervention was used, and
- School personnel who participated in or supervised the intervention.

All such documentation shall be provided to the building principal, who shall be responsible for providing copies of such documentation to the superintendent on at least a biannual basis. At least once per school year, each building principal or designee shall review the documentation of ESI incidents with appropriate staff members to consider the appropriateness of the use of ESI in those instances.

**Reporting Data**

District administration shall report ESI data to the state department of education as required.

**Local Dispute Resolution Process**

The board of education encourages parents to attempt to resolve issues relating to the use of ESI informally with the building principal and/or the superintendent before filing a formal complaint with the board. In the event that the complaint is resolved informally, the administrator must provide a written report of the informal resolution to the superintendent and the parents and retain a copy of the report at the school. The superintendent will share the informal resolution with the board of education and provide a copy to the state department of education.

If the issues are not resolved informally with the building principal and/or the superintendent, the parents may submit a formal written complaint to the board of education by providing a copy of the complaint to the clerk of the board and the superintendent.

Upon receipt of a formal written complaint, the board president shall assign an investigator to review the complaint and report findings to the board as a whole. Such investigator may be a board member, a school administrator selected by the board, or a board attorney. Such investigator shall be informed of the obligation to maintain confidentiality of student records and shall report the findings and recommended action to the board in executive session.

Any such investigation must be completed within thirty (30) days of receipt of the formal written complaint by the board clerk and superintendent. On or before the 30th day after receipt of the written complaint, the board shall adopt a report containing written findings of fact and, if necessary, appropriate corrective action. A copy of the report adopted by the board shall be provided to the parents, the school, and the state board of education.
