

STUDENT ACCEPTABLE USE POLICY (AUP)

The Lawrence Public Schools provide access for student use of computer technology for student use of the Internet and transmission of data or other information across the network infrastructure. All users must share the responsibility for seeing that our computer facilities are used in an effective, efficient, ethical and lawful manner. It is an opportunity to have access to these extraordinary resources and therefore, all users must agree that they will comply with these guidelines in accordance with KANSAS STATUTE 21-3755 and Board Policies [IIBG](#) ; [IIBGA](#).

Expectations for All Students

Students will:

- Use technology in the manner directed by building staff and administration.
- Use technology for educational purposes only.
- Take care of any equipment and report damages, problems, or inappropriate materials immediately to a staff member.
- Comply with all copyright, trademarks, and license restrictions, including citing Internet sources as you would all other reference materials.

Students will not:

- Share passwords or provide personal information to non-approved online sources.
- Expect your e-mail, files, or directories to be private.
- Use technology to harass others according to Board Policy [JGECA](#).
- Download, store, distribute, or share any software or digital file (such as movies, music, or text) in violation of copyright laws.
- Intentionally access material through, or with, technology that would not be allowed for educational purposes in your school if presented in other media.
- Intentionally damage, disable, or hinder the performance (or attempt any of the previous) of any district technology system device, software, or network (inside or outside of the district).
- Access or attempt to access any system, file, directory, user account, or network to which you have not been granted access.
- Use technology in a manner that would hinder the learning environment for you or any other student.
- Install or attempt to install any software on a district owned technology device.

Additional Expectation for Students With Personally Assigned Computing Devices

Students will:

- Regularly save any information stored on a computing device to your assigned personal network storage directory.
- Expect any computing device to be regularly inspected for inappropriate material, which might include unlicensed software or inappropriate content and software. Any inappropriate content or unlicensed software will be removed.

Consequences for AUP Violations (Board Policy JDD)

- Suspension from use of district technology
- Suspension or expulsion from school
- The district may notify law enforcement agencies.
- Any consequence outlined in your school handbook.

USD497 Student Acceptable Use Policy Agreement

I understand and will abide by the above Acceptable Use Policy. I further understand that any violation of the regulations above is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked and school disciplinary and/or appropriate legal action taken.

I agree to the above statement.

I choose to opt out of having internet access.
