(1) Includes contract encumbrances that will be paid from the 3rd sale of bonds January 2016

**Notes:** The January 20 tax distribution is the largest. It is when 45% of our tax revenues are received. June being the other largest month when 43% is received. January will reflect the highest unencumbered cash balances during the fiscal year, from this point they are spent down to year end. Federal grants: It is not uncommon for federal grants to reflect a negative unencumbered cash balances. Grant revenues are drawn on a reimbursement basis
