Re: Amended Contract for Districtwide Facility Improvements w/GSR Construction

Date: September 8, 2016

Background:

At its June 13, 2016 meeting, the Board of Education approved a contract with GSR Construction for districtwide facility improvements. These include providing 21st century classrooms and learning environments as part of our Learning Forward, Future Ready initiative. Other improvements focus on meeting fire code and providing safer environments for our students. There are a total of nine projects at seven different locations. As we are finalizing these facility improvements, additional items have been identified by administration. These items are listed below and are coming to the board for approval.

Current Contract Sum	\$171,500
Emergency Lighting @ Centennial	2,086
Repair Lawn Irrigation @ FSHS	5,716
Modify Underground Electrical @ FSHS	<u>3,600</u>
New GMP Amount	\$182,902

Recommendation:

The Facility Planning Committee recommends board approval of the amended contract with GSR Construction in the amount of \$11,402 for districtwide facility improvements.

Motion:

"I move the Board of Education approve an amended contract with GSR Construction in the amount of \$11,402 for districtwide facility improvements."
