Re: Disposal of Obsolete Girls' Soccer Uniforms – Free State

Date: December 10, 2015

Background:

Over the years, Lawrence Free State High School (LFSHS) has accumulated various girls' soccer uniforms that students no longer use. Free State staff would like to sell them prior to and during the season as a way to raise money for the LFSHS girls' soccer program.

Rationale:

Kansas Statute and Board Policy DFM requires that excess equipment and materials purchased by the district or its schools must be disposed of at the discretion of the Board of Education.

Recommendation:

Administration recommends allowing the disposal of obsolete LFSHS girls' soccer uniforms as a fundraiser for the LFSHS girls' soccer program. Inventory of items to be sold and estimated pricing are as follow:

\$15	Adidas	Tops: 27 Green and 30 Black
\$15	Adidas	Jackets: 30 Black
\$5	Adidas	Bottoms: 30 Green and 20 Black
\$15	Adidas	Jacket and Bottoms: 20 sets
\$5-\$10	Hoodie	Warmups: 15 sets
\$10	Bags	Bags: 25

Motion:

"I move the Board of Education authorize disposal of obsolete Lawrence Free State High School (LFSHS) girls' soccer uniforms as a fundraiser, with revenue from the sales going back to the LFSHS girls' soccer program."
