Re: Moving Service Agreements – District

Date: August 4, 2016

Background:

The Facilities and Operations Department began using contracted moving companies districtwide during the spring and fall moves affected by bond construction. Due to district staff time limitations involved with the moving in and out of schools this fall, two (2) moving companies have been contracted to assist. Services provided by these companies will include trucks, drivers, movers, dollies, speed packs and book carts. The schools involved in upcoming moves are Prairie Park, Schwegler, Broken Arrow, Kennedy, Deerfield and Sunflower. The moving companies and estimated not-to-exceed costs are identified below and are coming to the board for approval.

Coleman American	\$25,000
Beltman Group	<u>25,000</u>
<b>Total</b>	<b>\$50,000</b>

Recommendation:

The Facility Planning Committee recommends board approval of the agreements with Coleman American and the Beltman Group for districtwide school moves.

Motion:

"I move the Board of Education approve the agreements with Coleman American and the Beltman Group in the amount of \$50,000 for districtwide school moves."
