Re: Disposal of Obsolete Boys' Baseball Uniforms – Lawrence High

Date: March 17, 2016

Background:

Over the years, Lawrence High School has accumulated various boys' baseball uniforms that student athletes no longer use. Lawrence High staff would like to sell them prior to and during the season as a way to raise money for the LHS boys' baseball program.

Rationale:

Kansas statute and Board Policy DFM requires that excess equipment and materials purchased by the district or its schools must be disposed of at the discretion of the Board of Education.

Recommendation:

Administration recommends allowing the disposal of obsolete LHS boys' baseball uniforms as a fundraiser for the LHS boys' baseball program. Inventory of items to be sold and estimated pricing are as follow:

- Approximate Sale Price: \$20
- Brand (if known): Wilson/Adidas
- Description & Quantity: 25 baseball uniform jerseys

Motion:

"I move the Board of Education authorize disposal of obsolete Lawrence High School (LHS) boys' baseball uniforms as a fundraiser with revenue from the sales going back to the LHS boys' baseball program."
