Re: Superintendent Leadership Transition

Date: April 21, 2016

Report:

On Tuesday, March 8, 2016, members of the Board of Education approved and announced my selection as the next superintendent of USD 497 Lawrence Public Schools beginning July 1, 2016.

Although I will continue in my current role as assistant superintendent of business and operations through June 30, 2016, I also have the unique opportunity to begin working on some priority items in an effort to create a successful leadership transition. In this report, I will engage the board in conversation regarding the areas of focus and any of the processes involved with these items.

At its March 21 meeting, the Board of Education received an update on the superintendent leadership transition. This report will provide some additional information about some of the specifics of what I've been involved in this past month.
