Re: Acceptance of Audit for FY June 30, 2018

Background:

The audit for the fiscal year ending June 30, 2018 has been completed. An electronic copy of the preliminary District audit is included. In addition activity fund audits were done on the two high schools (Lawrence High School and Lawrence Free State High School), one middle school (Southwest Middle School) and one elementary (Quail Run Elementary). They are also included.

The audit was performed in accordance with the generally accepted auditing standards and the standards applicable to financial audits contained in "Government Audit Standards", issued by the Comptroller General of the United States and the Kansas Municipal Audit Guide. Those standards require the audit is planned and performed to obtain reasonable assurance that the financial statements are free of material misstatement. The results of the audit assure that this is the case for Lawrence Public Schools.

The financial statement is prepared by the district to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than generally accepted accounting principles.

The audit is favorable with no significant weaknesses or findings.

Recommendation:

Administration recommends the Board of Education accept the audit from Mize Houser & Company P.A for the fiscal year ending June 30, 2018.

Motion:

"I move the board of education accept the audit from Mize Houser & Company P.A. for the fiscal year ending June 30, 2018."
