Re: Renewal of Web Hosting Services

Date: July 7, 2016

Background:

In July 2014, the district adopted new web hosting services from SchoolWires Centricity 2, which is now operating under Blackboard.

Rationale:

The overall user experience with Centricity 2 has been positive and requires very little maintenance. The web hosting services contract with Blackboard (SchoolWires) Centricity 2 is now up for renewal.

Recommendation:

Administration recommends board approval for the renewal of the Blackboard Centricity 2 Essential Web Hosting Service contract at an annual renewal cost of \$29,735.55 to be paid out of Administrative Technology Budget.

Motion:

"I move the Board of Education approve the renewal of the Blackboard Centricity 2 Essential Web Hosting Service annual contract at a total cost of \$29,735.55."
