Re: Amendment to Agreement for Provision of Student Services

Date: June 8, 2017

Background:

At its February 27, 2017 meeting, the Board of Education approved an agreement with Milestones Academy for the provision of student services to meet the needs of a student with an individualized education program as required by state and federal law at a cost of \$307.50 per day, not to exceed a cost of \$29,200 for January 2017 through July 2017.

Rationale:

There was a need for additional services for this student during the current school year.

Recommendation:

Administration recommends board approval for an amendment to the February 27, 2017 agreement with Milestones Academy for the provision of additional student services at a cost of \$307.50 per day, not to exceed a cost of \$38,000 (original recommendation was \$29,200) for the 2016-2017 school year.

Motion:

"I move the Board of Education approve an amendment to the February 27, 2017 agreement with Milestones Academy for provision of additional student services at a cost not to exceed \$38,000 for the 2016-2017 school year."
