Re: Destiny Library and Textbook Resource Management Solutions 2018-19 renewal

Date: July 23, 2018

Background:

Follett Destiny Library and Textbook Resource Management Solutions software is web-based library and textbook management system utilized by the district. This software provides inventory management of both library resources and district instructional resources – textbooks, consumables, etc. The system allows for precise checkout of these resources to schools, teachers, and students and provides the district an accurate inventory of instructional resources to ensure appropriate quantities at any point during the school year.

Rationale

This expenditure represents the 2018-2019 renewal costs for both the library and textbook systems.

Recommendation:

The administration recommends that the Board of Education approve the renewal quote with Follett Software Company for the Destiny Library and Textbook Resource Management Solutions in the amount of \$31,150.56. Destiny Library will be paid from General Funds – Library Media budget and Destiny Textbook will be paid from Student Materials Revolving Funds –Teaching and Learning General Instructional budgets.

Motion:

"I move the Board of Education authorize administration to renew Follett Software Company Destiny Library and Textbook Resource Management Solutions in an amount not to exceed \$31,150.56."
