Re: District Wide – Grounds Equipment

Date: March 8, 2018

Background:

At its January 8, 2018 meeting, the Board of Education was presented with the 2018 Capital Improvement Project list. Included in the list was the replacement of district-wide grounds equipment. The Facilities and Operations Department is purchasing a Hustler Super 104-36 horse power mower. This mower will replace an existing front deck mower due to age, safety and maintenance costs. The new mower will be added to the current district wide fleet and will be utilized at all district locations.

Bids and Specifications:

The district aligned the specifications to meet the safety and needs of particular areas within the district.

A quote was received from Smitty's Lawn & Garden Equipment and is procured through the Hustler Turf Equipment Kansas Contract No. EVT0003363 for the amount of \$23,116.50

Recommendation:

Administration recommends board approval for the purchase of a Hustler Super 104 mower from Smitty's Lawn & Garden Equipment procured through the Hustler Turf Equipment Kansas Contract No. EVT0003363 in the amount of \$23,116.50 to be paid from the Capital Outlay Fund.
