Re: Emergency Generator Purchase – Southwest Middle School

Date: January 18, 2018

Background:

The existing generator located at Southwest Middle School used for emergency lifesaving lighting is in need of immediate replacement due to the age and inability to find replacement parts.

Bids and Specifications:

The specifications were aligned to meet the safety and needs of particular areas within the district.

A proposal was received from Foley Power Solutions for a DG80 Caterpillar, natural gas powered generator unit in the amount of \$35,452.59 and will be procured through the National Joint Powers Alliance (NJPA) purchasing cooperative contract # 091615-URI.

Recommendation:

Administration recommends board approval for the purchase of a DG80 Caterpillar generator procured through the National Joint Powers Alliance (NJPA) Purchasing Cooperative contract # 091615-URI from Foley Power Solutions in the amount of \$35,452.59 to be paid from the Capital Outlay Fund.

Motion:

"I move the Board of Education approve the purchase of a DG80 Caterpillar generator procured through the National Joint Powers Alliance (NJPA) Purchasing Cooperative contract # 091615-URI from Foley Power Solutions in the amount of \$35,452.59 to be paid from the Capital Outlay Fund."
