Re: High School MacBook replacement cases 2018-2019

Date: July 2, 2018

Background:

In 2017-18 school year, MacBooks were provided to every High School student. Each device had a hard-shell case to provide protection from damages. Each student was given the opportunity to personalize the case for their device.

Rationale

MacBooks which were used by seniors in 2017-18 will be reimaged and distributed to incoming freshmen in August 2018. A new hard-shell case will be put on each freshman MacBook.

Recommendation:

The administration recommends the purchase of 1,000 Dux Hard-shell MacBook Air cases from Kansas City Audio Visual in the amount of \$37,500. The purchase and pricing is off of KCAV's State purchasing contract #42603, a sealed bid is not required. The purchase will be paid from district Instructional Technology funds.

Motion:

"I move the Board of Education approve the purchase of 1,000 Dux Hard-shell MacBook Air cases from Kansas City Audio Visual, off of KCAV's State purchasing contract #42603, in the amount of \$37,500, to be paid from Instructional Technology funds."
