Re: Safety and Security – District Wide

Date: March 8, 2018

Report:

Lawrence Public Schools has a crisis plan for every school in the district. As part of an ongoing effort to improve the plan, district staff has engaged in more detailed discussions with building administrators and the Lawrence Police Department. The discussion has included the following topics:

- Improved collaboration and communication with the Lawrence Police Department
- Additional campus security services and measures
- Additional Facilities and Operations staffing
- Review and update current school crisis plans
- Additional professional development
- Reassemble the Emergency Operations Plan (EOP) team
- Improve district wide communication systems
- Other safety and security measures
