Re: Name Change for South Middle School

Date: November 22, 2017

Background:

At the last board meeting on November 13, 2017, a proposal was brought to the board regarding a change to the name of South Middle School.

Rationale:

The purpose of this discussion is for the board to provide guidelines and the process regarding the formation of a committee of stakeholders whose sole purpose is to recommend a school name change to the board for approval.

- This will be an open committee facilitated by Jennifer Attocknie, Coordinator of Native American Services. Carole Cadue-Blackwood, committee member who requested the name change, Keith Jones, South Middle School Principal, and a representative from Haskell (TBD) will also be on this committee.
- The sole purpose of this committee will be to MAKE A RECOMMENDATION for the name change.
- It will be determined by this committee if “South” will remain in the new name recommended to the board.
- The committee WILL provide two (2) options for the name change with only one having a person’s name included
