Re: Reimbursement for Student Losses  
Date: May 10, 2018

Background:

Sixteen students had personal property stolen from a district vehicles while on a trip to St. Louis, MO. Parents have requested reimbursement for the stolen items. Families provided a list of stolen items. Staff has cross-checked values and found the requested amounts to be appropriate.

Recommendation:

Staff recommends the board approve the requests for reimbursement from the sixteen students whose property was stolen in the total amount of \$9,933.90.

Motion:

"I move that the Board of Education approve the individual reimbursements for the sixteen students whose property was stolen in the total amount of \$9,933.90."
