Re: Options for Process in Search and Selection of Interim Superintendent

Date: May 12, 2017

Background:

Superintendent Kyle Hayden will transfer to the role of chief operations officer at the end of the school year, effective July 1, 2017. An interim superintendent will be appointed to serve during the 2017-2018 school year.

A representative from the Kansas Association of School Boards will meet to discuss with the Board of Education the process in searching for and selecting a person for that appointment.
