Athletic paperwork: New forms need to be completed for students planning to participate in athletics this school year. The deadline to turn in forms for fall sports is **September 8**. Forms are linked to the WMS website: <https://www.usd497.org/domain/2270>

Chorale Update: Due to health and safety considerations this school year, zero hour choirs for all middle schools will not be offered. If your student would still like to take a choir class, please contact their counselor about a schedule change to enroll in the choir elective. The middle school choir directors look forward to seeing students virtually in September.

Child Nutrition Benefits (Free/Reduced Lunch): Applications must be completed each school year. The form may be completed at this link: <https://www.myschoolapps.com/Home/PickDistrict>

All student iPads should be traded in for new devices. If you missed the date for trade in, please contact Dawn Salisbury at (785) 330-2229 or dawn.salisbury@usd497.org.

The district asks each family to complete the **Annual Student Registration Form** for **each student** via their parent Power School account. This information update is critical to ensure the school has current contact information and addresses to communicate with families. If you need assistance with setting up a parent Power School account or completing the Annual Student Registration, please contact Michelle Brady in the WMS Student Services Office at (785) 330-2227 or michelle.brady@usd497.org.

Free meals for students are available through August 31 at Hillcrest, Schwegler, and BMMS. Pick up time is 11:30 am to 1 pm every weekday.
