## 2019 *Class of*

Graduation for our high school seniors is just around the corner and it is time to start planning graduation celebrations!

We are continuing a long tradition of hosting a post-graduation party for the Class of 2019. **This year, Project Graduation will be Wednesday, May 22nd, 2019, from 10:00 p.m. to 2:00 a.m. at Abe and Jake's Landing, 8 East 6<sup>th</sup> Street, Lawrence, Kansas.**

**What is Project Graduation?** With generous contributions from parents, community members, and local businesses, it is an exciting, safe, and drug and alcohol-free event where the graduates can eat, dance, play games, win prizes, and celebrate together as a senior class, in a supervised environment. The graduates have a chance to win great prizes and the drawings are incentives for the graduates to remain at the party, ensuring their safety.

All graduating seniors from high schools throughout Lawrence are invited to join the fun celebration! (Each student must have a driver's license or an identification card to enter the party.) To make your senior's final high school event a memorable event, **WE NEED YOUR HELP!** We need you to donate money or prizes, we need you to volunteer to help the night of the party, and we need you to send in photos for the slide show.

Enclosed is an information and response form. On that form, you can learn more about Project Graduation, pre-order your student's ticket, make your donation, express interest in volunteering, and find out how to submit your photos for the slide show.
