

Greeting LVS Families,

Hello to all of our new and existing LVS Families for another great school year at LVS. We are glad you are here, and we look forward to working with you. It is hard to believe that this will be our 17th year of being the premier virtual school serving families throughout Kansas!

First and foremost, I hope that this finds you safe and healthy in the trying times that our world is going through - please stay that way all year long!

I hope that you are proud of your decision to become an LVS Griffin. For those of you new to LVS, give yourself some time to become accustomed to the world of virtual learning. Please know that you have dozens of teachers, support staff members, and veteran families surrounding you to help teach, answer questions, guide the way, and be there for you whenever you need anything. We consider ourselves a big LVS Family, so again, WELCOME TO THE LVS FAMILY!

Everyone in this world is a unique individual with a unique set of circumstances that have shaped who they are. This unique past will assist in formulating a unique future that will ultimately make them WHO they are. However, there is one thing that we all have in common: we can ALL learn! This means we can all learn about everything we want to be. I look forward to joining you on that learning journey this year. This school year will ultimately be what you make it as you partner together with LVS.

Go get ready to learn! Get involved in clubs or reading groups and everything LVS has to offer. The knowledge is out there just waiting for you. We will see you along the way!

Take care,  
Mr. Westfall
