

Dear Lawrence Virtual School Families,

As the Principal of Lawrence Virtual School, it is my pleasure to welcome new and returning families to an exciting new school year at LVS. I am excited you have chosen to be a part of the student-centered, equitable, engaging, relevant, and rigorous learning environment that is Lawrence Virtual School. Your patience through the enrollment process and receiving materials has been greatly appreciated.

I encourage you to be active in our school community. A new opportunity to engage is the LVS Site Council (information coming soon) so that we can continue to receive timely feedback to better serve you as well as share the great things happening at LVS. Remember to visit our school website and social media pages for current news and upcoming events.
