LAWRENCE HIGH SCHOOL | USD 497

LHS INNOVATIONS CORRIDOR — OPEN FOR THE FALL 2019 SEMESTER

Construction Update

Summer/Fall 2019

Lawrence High School students, staff, and community —

Gould Evans and McCownGordon are excited to manage, design, and construct the transformation of Lawrence High School. Thank you for welcoming us on campus!

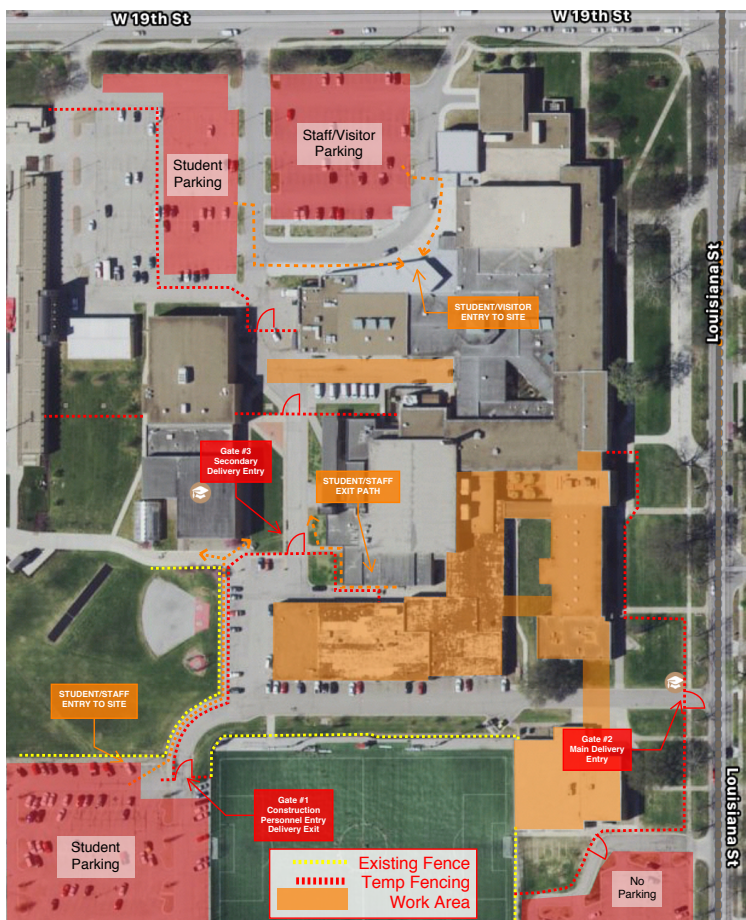

Our priority is to keep the school in seamless operation through all phases of construction. We have outlined what to expect in 2019 on the next pages — let us make this easy for you.

Questions or feedback? Reach us at lhs@mccowngordon.com.

Have a great summer,

gouldevans

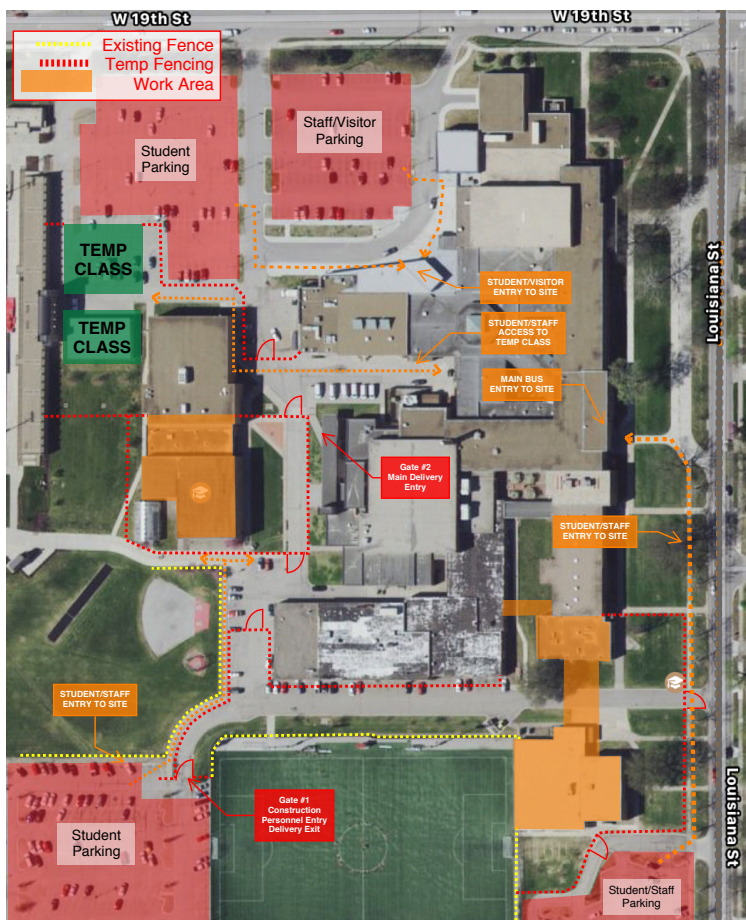

Phase 1 — Summer Break 2019

May 25 – August 15, 2019

OPEN to Students and Staff*

- main gymnasium
- west auxiliary gymnasium
- weight room
- athletic fields (only accessible with coaching staff supervision)
- main office and student services offices
- performing arts area
- commons area
- rotunda
- library

*Temporary walls will separate accessible areas from closed areas.

Phase 2 — Fall Semester 2019

August 16, 2019 – January 8, 2020

CLOSED to Students and Staff*

- annex
- new addition annex/science wing link
