

# Lawrence Public Schools – USD 497

## Recommended Music Vendors & Rental Nights

Dear Parent(s) and Guardian(s):

Your student has signed up for 6<sup>th</sup> Grade Band or Orchestra. For your convenience, we wanted to give you a list of the music companies that USD497 recommends for appropriate, quality instruments and supplies at a reasonable price.

As a convenience, listed below are the rental nights at each school. This is an opportunity for those interested in renting or purchasing an instrument, to come hear about your options with the store(s) listed. Please note, this is not the district-owned instrument rental program. To participate in the district-owned instrument rental program, please see your student's music director.

Your student's music director will be able to give you further information on what is needed for each type of instrument. You do not need to purchase a method book for your student's chosen instrument, as it will be provided to your student(s) by the school.

Thank you,  
Lawrence Public Schools USD 497 Fine Arts Coordinator
