Southwest Boys Basketball Dog Pound Clinic Summer 2019

Two sessions will be offered to allow our younger, soon to be Bulldogs and our current Bulldogs a chance to refine their basketball skills! Sessions are designed for both novice (players who haven't played much organized basketball, but want to work hard and get better as a player) and advanced (players who have played competitively on teams and in leagues, that want to progress to the next level of competition). The clinic will combine working on the fundamental skills of dribbling, shooting, and passing with controlled competitive play. Campers will also learn the fundamentals of individual offense and defense, progressing through 3 on 3 and 5 on 5 team offense and defense. The focus for each player is to improve playing skills and to develop drills to help continue improving while at home. And, of course, we hope all participants have fun!
