

**WHAT:** You're invited to try a reading challenge this year that challenges you to read across different genres:

BIO: Biography/Autobiography - 5 books  
NIV: Novel in Verse – 1 book  
MY: Mystery – 3 books  
AD: Adventure – 2 books  
FC: FREE CHOICE - 10 books  
HF: Historical Fiction – 2 books

SF: Science Fiction – 2 books  
RF: Realistic Fiction – 5 books  
IT: Informational Text – 5 books  
PO: Poetry – 1 books  
FA: Fantasy – 4 books

**HOW:** Keep track of the titles of your books on the back of this page or on your iPad's Notes app (you can take a picture of the grid and edit it) or you can download it to your Drive app and make a copy and edit it. I will also put it in the Library Seesaw.

**WHY:** Reading changes our brains for the better! Any time you open your mind to reading you are getting smarter and learning more about the world around you. Reading different genres increases this growth in your brain, makes you more empathetic and even makes you a better writer!

**WHEN:** You have all year to tackle this challenge. It's a challenge for you so don't compare yourself to others. Go at your own pace and celebrate each time you complete a book. If you finish the challenge you can keep going!
