

# Southwest Middle School

2511 Inverness Drive, Lawrence, KS 66047 (785) 832-5550

---

## Building Goal #1:

At Southwest Middle School, 92% of students will initiate and develop their Individual Plan of Study process through Xello to guide course options and career goals by May 5, 2023.

## Building Goal #2:

Southwest Middle School teacher teams will use a formal general education intervention (GEI) process to connect at least 75% of students discussed at GEI team meetings to academic, behavior, and social supports as measured by intervention tracking spreadsheets by May 5, 2023.

## Building Goal #3:

Southwest Middle School staff will collaboratively craft and implement an updated school Mission and aligned Vision that reflects school commitments and values by May 5th, 2023.

## Building Goal #4:

Southwest Middle School staff, both certified and classified, will participate in a quarterly training on the new 22-23 SWMS staff handbook and Ci3T processes in order to develop and support effective employees by May 5th, 2023.
