General Info / FAQ's:

-Parent Meeting will be scheduled soon.

-Full practice and game schedules will be provided.

-Things to bring for tryouts: court shoes, athletic shorts, white or gray t-shirt, work ethic & positive attitude.

-Both 7th & 8th Grades will practice at the same time.

-As a general rule, practice on school days will be 3:15 – 5:30 (Fridays will never last longer than 5:00)

-Players are expected to attend Wednesday Study Halls when scheduled.

-There are several non school days where we will have practice, including many Saturdays

-Saturday practices are almost always 8:00 – 9:30 and usually “optional” as a concession to the myriad of other activities middle school students have going on. “Optional” will be defined at the parent meeting.

-All paperwork must be completed and on file in the office ahead of time (physical, proof of insurance, concussion form and code of conduct)

-Lindsey Murray is the 7th grade coach and more than capable of speaking for herself, however for the time being and until we get everything in full swing, please refer all questions for both grade levels to 8th Grade Coach Jay Deiser at 785-330-1866 or jdeiser@usd497.org

-Pretty much everything one can think of is fluid and may be subject to change, but it will work itself out in the end.
