

Email and Accounts Setup

With the new iPad out of the box, your first priority should be linking your school accounts to your device so you can stay connected. The first will be email.

For step-by-step instructions on how to set up your email account, go to one of two sites:

For the built-in mail feature on your iPad:

<https://goo.gl/HGg2IV>

For Outlook: <https://goo.gl/oFbwlr>
