

# LET'S GET READY FOR KINDERGARTEN

Welcome! Our schools are excited to begin this educational journey with your family.

Children who reach the age of five on or before August 31, 2018, are eligible for kindergarten enrollment (Kansas Statute 72-1107). Lawrence elementary schools have scheduled Kindergarten Enrollment Nights in March to assist families with the online registration process. Upon enrollment, please provide the school proof of residency, a certified copy of your child's birth certificate, your child's immunization record, and a health assessment conducted by a physician/health care provider within one calendar year prior to school entry.

During Kindergarten Orientations in April and May, your children will have the opportunity to meet kindergarten teachers, visit classrooms and participate in fun, educational activities. We encourage families to complete online enrollment prior to Kindergarten Orientation.

Please contact your child's school for details about Kindergarten Enrollment and Orientation.
