Mrs. Monroe's AP Human Geography Class

As Mrs. Monroe's AP Human Geography class wrapped up their Culture unit, they spent time indulging in food from around the world. Students each picked a country to research, including a local dish and the dish's history, and then prepared and presented it to the class. They enjoyed food from a variety of locations including Chile, Brazil, Greece, Egypt, China, and India.

AP Exams at Free State

AP Exams will be given at Free State on May 06th through May 17th. AP Exam registration begins February 11th, continuing through March 03rd. The cost is \$98 per exam, and students need to sign up at www.TotalRegistration.net/AP/171691. Students that have previously registered need to use the same email used in previous years and should select forgot email if appropriate.

Dates for the exams are posted in the AP classrooms, as well as online at www.collegeboard.com. Students, please check exam dates carefully for possible conflicts.

If you qualify for accommodations, please return the SSD Consent Form to Mrs. Leeser in Student Services no later than February 22nd. Records related to the student's disability and requested accommodations will need to be supplied. Please print out a [parental consent form](#) and have the parent sign it (or student, if over 18). You will need to verify that you have a signed consent form on file in order to submit a request for accommodations. Please note that inclusion of an accommodation or an IEP and/or 504 Plan does *not* automatically qualify a student for accommodations on College Board tests.
