BMMS BAND SUPPLY LIST 2020-21

Band Method Books:

Band Books will be supplied by the district. All other supplies listed below are not supplied by the district. Please contact the school if you are in need of assistance in purchasing supplies.

The following companies do business with USD 497 and are familiar with the band requirements. You can purchase the following products from these vendors as well as rent instruments from them.

Band Aide - Lawrence (785) 832-9124 [BAC Music Center](#) - Overland Park (913) 390-1776

[Meyer Music](#) - Overland Park (913) 491-6636 [Wind Instrument](#) - Lawrence (785) 840-4547

Woodwinds players:

- Clarinet, Bass Clarinet and Saxophone Players. Purchase a BOX of quality reeds such as Rico Royal or Mitchell Lurie. Reeds come in different strengths. The strength of all the reed should be 2 $\frac{1}{2}$. **NOTE:** purchasing cheap reeds on-line with off brand names will result in the reed not working properly or chipping very quickly!
- Flute players will need a cleaning rod and silk cloth or hankie to clean out their instrument.
- Clarinets will need a cleaning cloth from the store to clean the inside of their instrument.

Brass players:

- All Brass players need tuning slide grease.
- French horns need rotary oil
- Trombones need slide oil.
- Trumpets, Baritones and Tubas need valve oil.

Percussion players:

We do not have drum sets like you see in a rock band. 6th grade students begin percussion by playing bells for the first nine weeks, then play snare drum. [SNARE PAD/BELL KIT EXAMPLE](#)

Percussion players in grades 6, 7 & 8 will need the following:

- A practice snare drum pad (unless you already own a snare drum).
- Snare Drum sticks Vic Firth SD1
- Bell Set with mallets for the bells.
- A combo kit with practice pad and bell set can be purchased on-line [HERE](#) is an example.
